

Fair Volunteer Sign Up

We will again be using a website called Sign Up Genius. On this website you will be able to see the days and time slots available for the fair. Under each time slot are the booths that need help. Each booth has a little description of what you will be doing and how many people it needs to function properly. The website is first come first serve so if you like a specific booth please sign up early. Please look for your child's class and sign up during that time to help. If you cannot make your child's assigned class time but can make a different time please sign up for that time. The fair is only successful if we all come together and help. The website will go live on March 1st. The link to the website will be available from the school's website under the fair tab.

Thank you in advance for your time!
