Dear Parents,

In compliance with the Environmental Protection Agency's Asbestos Hazard Emergency Response Act (AHERA) and Louisiana Administrative Code Volume II, Air Quality Division Title 33, Chapter 27, Asbestos Containing Materials in Schools and Public Building Regulation, the St. Joseph School administration wishes to notify you of the following:

This letter represents the annual notification regarding asbestos containing materials in the school. All friable asbestos has been removed in strict compliance with the above-mentioned regulations. Periodic surveillance and other preventive measures are ongoing. These actions have all been documented and have been placed into the Asbestos Management Plan.

You may view a copy of the Management Plan by contacting the school office. You may speak to the school principal. If you have any questions, please feel free to come to the school office to discuss them.

Sincerely,

Danette E. Ragusa
Principal

"The mission of St. Joseph School is to encourage our students to have a zeal for their Catholic faith through prayer and service and to provide students with the opportunity to develop their God-given talents through academic excellence."
