Failure to abide by the regulations and policies of the school handbook by either the student or his/her parent/guardian may result in the student's removal from the school.

St. Joseph School is a Catholic elementary school that is part of the school system of the Diocese of Baton Rouge. Students are formed through the religious program presented by the school, including classroom instruction in the Catholic faith, attendance at Mass weekly, and participation in the sacraments of Eucharist and Reconciliation. Student behavior is expected to reflect the values of love of God, love of self, and service to neighbor which forms the basis of the Catholic faith.

MESSAGE FROM THE PRINCIPAL

I am honored and blessed to be a part of St. Joseph Catholic School. I believe our school provides a faith-filled environment where our students can thrive in their Catholic faith and academic success. We have a great sense of community and rigor in our educational expectations. My vision is to continue to foster these goals and provide our students with an education and atmosphere that will be a vital part of their growth into strong Catholic adults.

-- *Mrs. Danette Ragusa*

PHILOSOPHY

St. Joseph School is committed to the Catholic formation and education of our students. We pledge to provide an environment in which we are open to God in all the events of life and to provide an education in truth, justice, and love according to the teachings and way of life of Jesus Christ.

ACCREDITATION

St. Joseph Catholic School is accredited through the Southern Association of Colleges and Schools Council on Accreditation and School Improvement. The school maintains approval status by the Louisiana State Department of Education.

HISTORY OF ST. JOSEPH SCHOOL

St. Joseph School was established in 1896 to serve the Catholic students of St. Joseph Church Parish. It has been a landmark of the Ponchatoula area for generations.

The school is operated by the church parish which for years was served by the Dominican Fathers. We are now blessed to be served by Fr. Paul McDuffie, a diocesan priest.

For many years, the Notre Dame Sisters administered and staffed the school.

Presently the school is staffed by thirty-five certified faculty members and eleven classroom paraprofessionals, and 4 support staff members.

The school now serves over 500 students and their families.

CLASSIFICATION OF STUDENTS

Pre-Kindergarten – 2nd grade is considered “Early Learning”

3rd and 5th grade is considered “Elementary”

6th grade – 8th grade is considered “Middle School”

Courses for high school credit will be valued on a five-point scale for academic honors and ranking purposes. Quality points for the nine week periods will be averaged to determine final marks. Example:

$$C+B+B+B = 3.75 = B \text{ average for the year, or}$$
$$3+4+4+4 = 15 \div 4 = 3.75 = B \text{ average for the year}$$

Honor Roll

Honor Roll is earned each quarter in grades Second through Eighth and includes all major subjects and conduct.

Principal's Alpha Honor Roll = All "A's" in every subject and conduct.

Alpha Academic Honor Roll = "A"'s in all academic subjects.

Principal's Beta Honor Roll = "A's" and "B's" in every subject and conduct.

Students in grades 6-8 will take end-of-the-quarter exams in the following subjects: Math, ELA (English/Language Arts), Science, Social Studies. The exams are to be comprehensive.

Exemption – 8th grade students only who have maintained an "A" on the report card for every quarter and who have an "A" average at the end of the fourth quarter may be exempt from the final exam in that subject.

3. ACCELERATED CLASSES (includes those for high school credit)

Criteria for Acceptance

Students will qualify for the accelerated/high school credit classes based on standardized test scores, grades, teacher recommendations, conduct, and work ethic. **We follow the grading scale per the policy of the Diocese of Baton Rouge (elementary and high school). Please note this is the grade sent to future high schools and will impact their overall high school GPA.**

Criteria for High School Course Credit

Students who receive two “C” report card grades in 1st-3rd quarter will be removed from the class. Students who receive a report card grade of “D” or lower at any time will be moved to the regular class, and no high school credit will be given.

4. HOMEWORK

Teachers assign homework with great care and for the purpose of fostering habits of independent study. Each student in grades Second through Fifth has a homework assignment book and is expected to write assignments and test dates in that book. Assignments may also be found on RenWeb. *****If a student forgets materials, they must come to the school office before 3:30pm and be escorted to the classroom to retrieve materials.**

The amount of homework depends upon the student’s progress in school. It is important to keep in mind that written work is not the only kind of homework. Study work is important.

The best way for a parent to assist a child with his/her homework is to provide him/her with a quiet hour or two in the evening, from television, the noise of younger children, and other distractions.

Homework assignments vary by grade, teacher, class, or student ability. Some students may complete homework faster than others.

A homework grade is factored into each class. Failure to complete homework in a satisfactory manner may adversely affect the student’s grades.

Procedures:

- Students will have approximately 10 minutes of homework times(x) the grade they are in. (ex. 10 minutes x 4th grade = 40 minutes of total homework time per night) This does not include studying and may vary among students. Students will probably need to study

every night for at least one subject. **All concerns about homework should be sent to the teacher.**

- Homework the night before a test may only consist of studying for the material that will be assessed the next day. No new material will be given for homework.
- Students may not have any more than two tests in one day. There will be no more than one quiz on a day with two tests.
- Practice pages with more than 10 items will be assigned as odd or even problems.

5. PROMOTIONS/RETENTIONS

Eighth Grade Promotion

The Eighth Grade class promotion exercises consist of Mass and the presentation of certificates and major awards. All financial obligations to the school must be paid before a student is allowed to participate. (ex. – cafeteria, tuition, technology, parent service hour fee etc.)

Caps and gowns will not be distributed until all debt is paid in full.

Participation in promotion exercises is a privilege which can be denied for behavior judged inappropriate by the administration.

PreK-Kindergarten Closing Programs

The PreK and Kindergarten classes have short programs in the gym. All financial obligations must be paid before a student is allowed to participate.

Retention

- Kindergarten students will repeat if the teacher indicates that the student does not have the skills and/or maturity to do First Grade work.
- A First through Third Grade student will repeat if his or her average is below 1.0 in Reading OR Math OR multiple major subjects. (Refer to page 4 for “Major Subjects”). A failing average in Reading or Math in the 2nd semester in First through Third Grades will also necessitate repetition of the grade.
- Fourth through Eighth Grade students will repeat if his or her average is below 1.0 in two or more major subjects. (Refer to page 4 for “Major Subjects”). **To earn credit in a subject (ex: Math), a student must have a minimum quality point average of 1.0 for the four nine week periods, however students who fail the 2nd semester will fail the course for the year.**

- **If a student in 4th- 8th grade fails one major subject, he/she will be required to complete additional course work during the summer to earn credit for that subject. Summer requirements will be determined by administration.**

6. SPECIAL EDUCATION

St. Joseph School does not have a special education program at this time.

- However, students with special education services are accepted into St. Joseph School with the understanding that the administration makes the final determination of whether the student can be adequately served by this school and receive a quality education.
- St. Joseph does receive limited special education services from the civil parish school system. These services include a speech therapy and some academic support which is available to students qualified under this special education designation. Eligible services will be identified through the evaluation process and a plan will be implemented according to the civil parish school system. Those services are determined by the student's evaluation.
- *Guidelines for Catholic School in the State of Louisiana for Addressing Individual Student Needs* revised July 1999 by Louisiana Diocesan Superintendents, "Under Section 504 of federal law, a private school without a special education program that is a recipient of federal funds may not, on the basis of handicap, exclude a qualified handicapped person from its program if the person can, with minor adjustments, be provided with an appropriate education."

ADMISSIONS

1. NON-DISCRIMINATION POLICY

St. Joseph Catholic School is open to students from pre-Kindergarten through Eighth Grade and does not discriminate on the basis of race, color, national, or ethnic origin. The school admits students regardless of race or ethnic background, but preference in admission is given in the instance of a waiting list to Catholic students from St. Joseph Church Parish and neighboring Catholic parishes. ***Parents are deemed by enrolling their children in the school to agree that they and their children will abide by all health/safety guidelines issued by applicable civil authorities, as well as those issued by the Diocese of Baton Rouge and the school. 2. ATTENDANCE

It is the responsibility of the school and the parent to encourage students to establish a good school attendance record. Every school day is important.

Louisiana state law requires that all elementary and middle school students attend school 160 days to receive credit for the school year.

St. Joseph Catholic School must follow state mandates in this regard. By law, the school will report to authorities, parents/guardians of students who have excessive absences.

Attendance for Middle School (6th-8th grade) will be taken at the beginning of each class. Excessive absences in a subject can impact eligibility for course credit.

Extended personal illness or extenuating circumstances need to be verified and approved by the principal to be considered an exception.

Students must be present at least ½ day in order to participate in a sport event or extra-curricular activity.

Please be attentive to this matter. It is most important that children be at school on a regular basis in order to assure their academic progress. Parents will be notified via RenWeb when a student has three or more absences or tardies. **Every accumulation of five tardies will result in a full day absence.**

Tardies and Early Checkouts

Tardiness and early checkouts are VERY disruptive to the classroom and causes the student to miss crucial instructional time.

A student is tardy if he/she arrives at school after 7:35 a.m. A student is considered tardy if the student is not in his/her class line when assembly begins.

A student is early checkout after 12:50 p.m. Students may not check out after 2:15 p.m. unless extenuating circumstances occur. Please consider this when making appointments. Any special requests must be approved by administration.

3. ABSENCES/MAKE-UP WORK

All students are expected to be in school every day from beginning bell to the end of the day unless they are ill or have a serious reason to be absent.

Students are considered absent one half day if they arrive between 9:20 a.m. and 11:05 a.m. Students arriving between 11:05 a.m. and 12:50 p.m. are considered absent for the full day.

When a student returns to school following an absence, a parental letter or doctor's note explaining the reason for the absence is to be presented to the office. An absence is automatically considered unexcused if the student returns to school without presenting a parent/doctor note within 48 hours of the return to school.

The student is allowed to make up missed work and tests with an excused absence. It is the responsibility of Middle School Students to make arrangements with the teacher(s). Reasonable time will be allowed for make-up work.

Excused absences include: illness of the student or grave illness in the immediate family, death in the immediate family.

Medically, a person is not considered to have a significant fever until the temperature is above 100.4 F. Students must be fever free for a 24 hour period **without the aid of fever reducing medication** before they can return to school.

Unexcused absences include, but are not limited to, vacations, hunting trips, concerts, ballgames, dance and/or dance competitions.

For short absences, students will be given make-up work upon their return to school. **For longer absences (three days or more), parents/guardians must contact the teachers for assignments via email.** Assignments may not be picked up before 2:00 p.m. All assignments are posted on RenWeb.

No work will be given ahead for students on vacation during the school year. Work is to be requested upon return to school and/or retrieved from RenWeb.

Please be aware that unexcused and excused absences accumulate for the total missed days in a school year.

EMERGENCY PROCEDURES

In case of an emergency, St. Joseph School follows the directives of the Catholic Schools Office. The school conducts emergency drills monthly. Emergency plans are in place for fire, dangerous weather, shelter-in-place, evacuations, and an intruder on campus. At the given signal, all students and school personnel are to follow procedures for the specified emergency. All drills are conducted in silence for the safety of all students and personnel.

1. DANGEROUS WEATHER

If school is dismissed early or canceled due to dangerous weather, St. Joseph School follows the same directive in regard to inclement weather as the Tangipahoa Parish School System. Therefore, adhere to announcements made via radio and television for the public school system. Parents will be notified via our RenWeb parent communication system by phone and/or text message. If the staff and students are required to move to our safe places during dangerous weather, parents will not be allowed to check out a student until the threat has lifted.

2. EVACUATION

In the event of an evacuation off campus, the school would notify the Diocesan Superintendent and the necessary civil authorities. Initial relocation would be St. Joseph Church unless otherwise directed by the civil authorities. Parents will be notified via the RenWeb parent communication system and will pick up students at the safe evacuation area. Parents should not call the school as this could tie up phone lines and prevent Civil Defense or the Diocesan office from communicating with our administration.

3. SHELTER-IN-PLACE

In some situations, authorities may direct us to remain on the school grounds and shelter-in-place. The following steps will be taken:

- All students will be brought inside.
- Doors, windows, and blinds will be closed, and, if necessary, cracks or openings will be taped.
- Students will remain in their classrooms or move inside to secure rooms if outside.
- Heating or cooling systems will be turned off.
- Administration will be directed by authorities from the Catholic Schools Office and Ponchatoula Fire Department.
- Parents will not be allowed to pick up their students until the event is declared over and safe for everyone to move around the campus.

4. INTRUDER/LOCK DOWN

If the students and staff are directed to move into Lock Down, students and staff will remain in locked classrooms until directed that it is safe to return to normal activity. You will be notified of these types of drills.

5. PARENT TELEPHONE BROADCASTS

Unless otherwise directed, an attempt will be made via telephone and/or text to notify parents of an emergency. **It is imperative that we have correct emergency numbers on file.**

EXTRACURRICULAR ACTIVITIES

Participation in extracurricular activities is a privilege. **Students, parents, and coaches** who participate in these extracurricular activities represent St. Joseph Catholic School and are expected to conduct themselves in an exemplary manner.

Disciplinary infractions may result in the moderator or the school administration excluding that student from participation. Students in leadership positions in all extracurricular activities will be expected to demonstrate values deemed necessary and appropriate by the faculty and the moderator.

If a student is placed on disciplinary probation, he/she will not be allowed to participate in extracurricular activities.

Sports teams will adhere to policies covered in the St. Joseph Catholic School Athletic Handbook which will be distributed to team members prior to each season. Our sports include but are not limited to – Volleyball, Basketball, Soccer, Cross Country, Track & Field, Softball, Baseball, Cheerleading, Dance Team, Flag Football.

All clubs, including but not limited to, Drama, Jr. Beta, 4-H, Student Council, and Choir will receive guidelines and expectations from the club sponsors.

PARENTAL EXPECTATIONS

1. CHILD PROTECTION

Safe Environment Training

Safe Environment training is required by the Diocese of Baton Rouge for adults who have, or who will have, ongoing, unsupervised contact with minors in the course of their work or service as an employee, chaperone, or volunteer.

ALL field trip chaperones and any other volunteer operating in a supervisory capacity over children must meet all requirements set forth by the Diocese of Baton Rouge Office of Child and Youth Protection. All required forms must be on file in the St. Joseph School office.

The following is required in order to be considered as a field trip chaperone or for any other supervision of children:

1. Child Protection Certificates
2. Code of Ethics Signature Sheet (updated)
3. State Background Check (This has to be done at a specific place)
4. eAPPS (Volunteer Application) Form

Please contact the office to obtain a Child Protection packet with these forms.

Campus Security

*****Due to COVID-19 guidelines, no visitors will be allowed on campus at this time.**

Due to the insecurity of the world in which we live today, anyone not employed by the school is not allowed on campus without a visitor badge from the office while school is in session. This includes the gym prior to and as school lets out. Visitors will be asked to present photo identification. Please sign out in the office after your visit and return the identification badge.

ALL VISITORS MUST PRESENT PHOTO IDENTIFICATION

2. COMMUNICATION

School Wide Communication

St. Joseph School uses many forms of electronic communication to keep parents informed.

- The SJS website (www.sjscrusaders.org) is the major communication tool for the school. The weekly Newsletter is updated on Wednesdays and available on this website.
- Every school employee has an email which can be accessed via the school website.
- The school has a Facebook page which also updates parents of upcoming events at school. **Class Facebook pages should be used for homework or class questions and updates. It is not a tool to express or solicit opinions. School concerns can only be resolved by contacting the school. Any form of negative communication can be viewed as a break in the educational partnership between parent and school.**
- RenWeb is our student information system. Parents may access grades, attendance, forms, and other pertinent information. It will also be used as a tool for communication of events.

Please check these sources often to be well-informed of school events.

Parent/Teacher Communication & Conferences

Parents may schedule a conference at any time during the school year by either e-mailing the teacher, contacting the school office, or writing a note to the teacher. Parents are asked to arrange conferences during school hours according to the individual teacher's schedule. Before or after school conferences are at the teacher's discretion.

Teachers may be contacted either by e-mail, written note, or by calling the office and asking the secretary to have the teacher return the call. Please allow teachers 24 hours to respond. **Please remember Facebook and social media is not an effective means of school communication and should not be used to discuss school matters or express negative opinions. The only effective way to resolve situations is direct communication with teachers or administration.**

A great rule of thumb for all types of Social Media is "Boast Don't Roast".

Proper protocol for conflict resolution is normally teacher ⇒ administration ⇒ pastor. Our goal is to always resolve issues in a timely manner and with a positive outcome for everyone involved. Please know our door is always open. Our mutual goal should always focus on fostering a positive educational partnership.

Counselor

SJS is very blessed to have a full-time guidance counselor, Mrs. Ashlee Dunham. She will work with parents, students, and staff as a support system. The counselor may be involved with administration when resolving peer issues. Parents may call the school office to contact Mrs. Dunham or email her directly (adunham@sjscrusaders.org) for assistance with student concerns.

Cell Phones

Student cell phones are **strongly discouraged**. **If a student carries a cell phone, it must be turned in to the homeroom teacher each morning in the off mode and will be returned at the end of each school day during homeroom/dismissal.** If the student chooses not to follow these guidelines, disciplinary action will be taken and impact the student's conduct grade. Abuse of this policy will result in additional conduct points being deducted, and may result in confiscation of the phone, parent pick up of the phone from the school office, loss of cell phone privileges, and/or the assigning of a major referral. The school is not responsible for lost or damaged devices.

Messages for Students

Only messages of vital importance will be relayed to students during class time. When it is necessary to contact your child at school, please call the school secretary, and the message will be relayed to your child. Such communications should be kept to an absolute minimum. School personnel will not accept gifts (i.e. flowers, balloons, etc.) sent to the school for students.

Transportation Messages

Transportation arrangements for after school should be made PRIOR to coming to school. Messages involving changes in transportation must be made in person, via Fax (985-386-0560), or email in order to secure a parent signature, and should be made PRIOR to 1:30 p.m. After school visitation and overnight arrangements will not be made through the school.

All-Call System

The school will issue an "all-call" to every phone number listed as a contact number to inform families of weekly events, reminders, and emergency notifications. **Please be sure that all contact numbers are updated in RenWeb to ensure that messages are received.** Parents may also receive Text Messages from the school.

RenWeb

St. Joseph School uses a web-based school administration system called RenWeb to enhance communication between teachers, parents, and students. ParentsWeb is the private and secure component of RenWeb that gives parents and students 24/7 access to grades, attendance, homework, and conduct, as well as access to other useful school information. **It is the school's expectation that parent/guardians will access RenWeb a minimum of once a week for updated information concerning homework, tests, grades, behavior, etc.**

Wednesday Packet

Teachers will forward graded papers in a Wednesday Packet. Parents should ask students and/or check backpacks for the packet each Wednesday. Parents are to sign the papers where indicated by the teachers and return all items to the school by Friday of the same week.

3. CUSTODY ISSUES

St. Joseph Catholic School abides by the provisions of the Buckley Amendment (*Family Educational Rights and Privacy Act*). Thus, non-custodial or legal guardians, upon written request, will be given access to the information regarding the academic progress of their child/children unless there is a court order specifically stating that the non-custodial parent or legal guardian is denied access to such information.

The school is not the setting to resolve family issues. We appreciate your cooperation in this matter.

4. EDUCATIONAL PARTNERSHIP

The education of a student is a partnership between the parents and the school. Parents are expected to cooperate in a positive manner with administrators, teachers, staff members, and all members of the school community. Just as the parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines the partnership no longer exhibits the characteristics of a respectful and Christian relationship.

5. EMERGENCY CONTACT INFORMATION

Emergency Contact Information in RenWeb is to be updated by parents as needed. **It is imperative that the names, phone numbers, and addresses listed be current.** If the parents cannot be reached in the event of accident, illness, or emergency, the other contacts will be called in the order given. Students **will not** be released to persons not listed. **A photo ID must be presented by anyone checking out a student.**

6. FAMILY SERVICE HOURS

The School Advisory Council and Administration believe St. Joseph School is very blessed to have two fundraisers that provide the majority of the funds used to assist with purchasing necessary supplies for the school and contribute to projects that will improve the quality of our campus and academic settings. We recognize that time is valuable and families are very busy, but it takes all of our families to make these events a success. Parents/Guardians are **required** to work a minimum of **4 service hours** between the Strawberry Festival Parking and Spring Fair

events, which are the school's largest fundraisers. When the Strawberry Festival Parking positions are filled, parents will need to complete their hours at the Spring Fair. If these four (4) service hours are not completed, a family will be charged \$400. This fee will be due before the end of the current school year and **may not** be financed with tuition. **If this fee is not paid, before the start of the 2021-2022 school year, students will not be scheduled for classes. 8th grade students whose families do not complete their service hours, will not be allowed to participate in 8th grade graduation activities until the fee is paid.**

7. FIELD TRIPS

8. FINANCIAL OBLIGATIONS

Tuition

The St. Joseph School Advisory Council along with St. Joseph School Administration and church pastor approves tuition every year. If the parent is a registered, financially supporting member of St. Joseph Catholic Parish, a tuition benefit is available to that parent. To qualify for tuition as a financially supporting parishioner, a family's weekly contribution to St. Joseph Church should be a minimum of \$8.00/week (\$416 annually). **These contributions are to be made in full by December 31, 2021. Contributions made after December 31, 2021 will not count toward tithing for 2021 and tuition rates will not be adjusted for the next school year. Regular use of the Sunday envelope is necessary as a sign of financial support of the Church.**

Tuition-in-Full

Tuition-in-full for the following school year is due by April 30th or the last work day in April.

Financed Tuition

Parents also have the option to finance tuition through **Gulf Coast Bank**. Important features of this loan program include:

- Loan applications are submitted online by the first business day in May. After this date, a late fee is assessed.
- Payments are made on a 10 month cycle (July 5-April 5).
- This tuition loan contract is a binding agreement between the parent and **Gulf Coast Bank**.
- Prompt payment is required for continued participation in this program.

Registration Fee

A registration fee is assessed to each student registered at St. Joseph School. Students are not added to the roster until the fee is paid. The fee is refundable **ONLY** if the student is not accepted into St. Joseph School.

Early Withdrawal Fee

An early withdrawal fee of **\$200** will be assessed for any student withdrawn after August 1. Registration fees are non-refundable.

Cafeteria

*****Due to COVID-19 restrictions, no visitors will be allowed on campus for lunch until further notice.**

*****Breakfast and Lunch are free for the 2021-2022 school year.**

The St. Joseph School cafeteria is directed by the Diocese of Baton Rouge and the State of Louisiana.

All lunch, breakfast, and extra sales prices are set each year by the Diocese which can be found on the cafeteria link on our school website.

Students may eat the lunch provided by the cafeteria, or they may bring a bag lunch from home.

1st-8th grade students may have visitors eat lunch with them. However, visitors must be on the Emergency Contact List or a note from the parent may be sent prior to the visit. **Visitors may begin having lunch with students after Labor Day.**

Fast food cannot be brought into the cafeteria in the paper, container, or bag displaying the name of the restaurant. Carbonated drinks are also not allowed. This includes lunches brought in by parents/family when eating lunch with students.

PreK students are required to eat breakfast in the cafeteria as part of the school day. Breakfast is an option for students in Grades K-8 from 7:00-7:25 a.m. at an extra charge. Breakfast will not be served to students arriving in the cafeteria after 7:25 a.m.

If a child requires a special diet, a diet prescription form is needed. Arrangements need to be made between the parent/guardian and the cafeteria manager for possible solutions. Please contact the cafeteria at 985-386-8075 for these needs.

Checks for payment to the cafeteria must be made out separately than those to the school. Please visit the Cafeteria Link on the school website for information regarding accounts and payment options. Fees are determined by the Diocesan Child Nutrition Office each year. Notification of non-payment is sent home as a paper statement and via email. You may contact the cafeteria manager Mrs. Rhonda Carrona if you have questions about your bill at 386-8075 or josephcafe@diobr.org.

After School Care

St. Joseph School offers an After School Care program for students in all grades from the close of the school day until 5:30 p.m. Registration forms and rate schedules are available on the After School Care Link on the school website. Parents of students picked up after 5:30 p.m. will be assessed a substantial penalty of \$1.00 per minute. See the After School Care guidelines for details.

Families with an outstanding balance over 30 days will not be allowed to use After School Care services until the balance is paid.

Parents can contact Mrs. Delise Savoie, the After School Care Coordinator, at dsavoie@sjscrusaders.org

Collections/Sales

No collections, regardless of the worthiness of the cause or sales of any nature, may be made without the permission of the principal.

9. MEDICAL INFORMATION

Parents are deemed by enrolling their children in the school to agree that they and their children will abide by all health/safety guidelines issued by applicable civil authorities, as well as those issued by the Diocese of Baton Rouge, and the school. The school will comply with all health information reporting mandated by civil authorities.

Medications

If at all possible, a child's medication schedule should be arranged before and after school and, therefore, be taken at home. When this is impossible, the proper forms and required information need to be completed before medication may be dispensed to a child.

The school can only administer ongoing, maintenance-type or rescue prescription medication to students.

Medication, except rescue medicine that parents have approved by the principal, must be brought to school by a parent/guardian. It will be dispensed from the office only. The prescribed medication must be in the original bottle/container, currently dated, and marked with the child's name, name of the medication, and directions for use. **It must also be accompanied by the school consent form signed by the parent/guardian and physician.**

DIRECTIONS ON THE MEDICINE AND ON THE "MEDICATION ADMINISTRATION FORMS" MUST MATCH.

Students may not give any type of medication to a fellow student.

Aspirin, cough drops, and/or other similar medicines will not be given or supplied by the school office. These over the counter medicines should not be brought to school.

Rescue medicines can be carried by students. They must be kept by the students in the appropriate medical bag provided by the school. Additional documents must be completed for this to take place.

In the event of a medical emergency, St. Joseph Catholic School will call 911, notify parents/guardians, and have the injured student(s) transported to the nearest medical facility.

Illnesses/Communicable Diseases

Students who are ill should be kept home. The following guidelines will help you determine when a child should not attend school:

- **Diarrhea/Vomiting:** Students who are vomiting or having diarrhea will be sent home from school. They will not be allowed to return until they are symptom free without the use of medication for 24 hours.
- **Fever:** Medically, a person is not considered to have a significant fever until the temperature is above 100.4°F. Students who have a fever of 100.4° F or higher will be sent home. Students will be readmitted after they have been fever free for 24 hours without the use of fever reducing medications, i.e., Tylenol, Motrin, and Advil.
- **Pink Eye:** Symptoms of pink eye such as eye drainage, crusty eyelids, redness on the white part of the eyes, swelling, and itching may indicate pink eye, which is a contagious disease. Children with these symptoms will be sent home and should be seen by a doctor for a diagnosis. A doctor's excuse that states **WHEN** the student will be allowed to return to school will be required. No eye drop medication is allowed at school.
- **Rash/lesions:** A student with an undiagnosed rash or lesions will not be allowed to stay at school. Skin rashes or lesions will be considered possibly contagious. A doctor's excuse is required in order for the student to return to school.
- **Head lice:** To help prevent the spread of head lice infestations, school employees shall report all suspected cases of head lice to the trained school personnel. The student shall be examined to determine an infestation by looking closely through the hair and scalp for nits or live lice. St Joseph School has a "no nit" policy. If nits are discovered before or after a child has been treated, they will be sent home and will not be able to return to the classroom until office personnel have checked them. They must be "nit free".

COVID-19: A student with any of the symptoms listed below must see a doctor. The student must return through the school office with a doctor's note and the parent must complete a health screening form. Students must be symptom free without the aid of fever or symptom relief medication for 24 hours before returning to school.

Symptoms associated with COVID-19:

- Headache
- Muscle pain
- Chills
- Sore throat
- Coughing / Shortness of breath
- Congestion/runny nose
- Nausea/vomiting
- Diarrhea
- New loss of taste/smell
- Temperature at or above 100.4

If a student is tested for COVID-19, they must remain quarantined until they receive a negative result from testing. If a student receives a positive result, it will be necessary for the student to be quarantined for 10 days before returning to school.

If a family member who lives with a student tests positive for COVID-19, the student must remain in quarantine for 14 days from the last exposure to that person (within 6 feet, for 15 minutes or more).

10. PARENT ORGANIZATIONS

Advisory Council

The St. Joseph School Advisory Council is comprised of the pastor, principal, and nine members who are nominated and voted on by the faculty and parents. They are elected for a three year term. Members are eligible to serve no more than two consecutive terms.

Valentine parties are arranged by the teachers through the room mothers for grades *Pre-K through 3rd*.

Birthday Celebrations

Teachers in Grades Pre-K through 3rd will have appropriate recognition of individual birthdays in the classrooms.

Due to the great liability associated with the increasing number of allergies present in our student population, treats from home are not permitted with each birthday.

Thank you for your cooperation and understanding for the safety of our students.

Birthday Invitations

Birthday party invitations may be passed out at the school ONLY if the entire class or all the students of one gender (all girls or all boys) are included and the distribution of these invitations causes no class disruption.

Dances

School dances are held throughout the year for 6th – 8th grade students. Students are allowed to bring a guest from other schools (in grades 6th-8th) who must also adhere to the same expectations of our school. Proper dance attire (see page 40 of this handbook) is expected for all who attend.

From time to time, students might appear on the SJS website or in the local newspapers. If you do not wish your child to appear on the internet or in the paper, please let the administration know in writing.

For the safety of our students and because some parents have requested this privacy, no one should take it upon herself/himself to post pictures or videos of any St. Joseph Catholic School student(s) other than your own on various social media outlets.

Pictures may be submitted to the school for printing or posting by emailing sjsoffice@sjscrusaders.org.

4. Follow state requirements on competitive foods and extra food sales.
5. Encourage serving healthy food at school parties
6. Promote and implement nutrition education
7. Use a program to evaluate student's physical fitness
8. Encourage school staff, parents and guardians to participate in physical activities to serve as role models.

PERSONAL CONDUCT

“... education in a Catholic School must be based on the principles of Catholic doctrine, and the [students] must be outstanding in true doctrine and uprightness of life.”

Canon 803

- **INTRODUCTION**

This personal conduct section is not considered all-inclusive. Enforcement of these policies and interpretation of the school discipline code remains the discretion of the principal. The administration reserves the right to waive and/or deviate from any and all disciplinary regulations for just cause at his or her discretion.

- **BCC – OUR POSITIVE ACTION PLAN**

- *Building Crusaders for Christ* (BCC) is based on learning rather than punishment. Students are expected to be responsible for their own actions in spite of the actions of others. Students are expected to **be safe, be respectful, be prepared, and be compassionate** within the school environment. Positive behavior schools have clearly outlined expectations and explicitly teach those expectations to their students. Staff members have identified what those expectations mean in a variety of environments, both inside and outside of school. The expectations are defined on posters which hang throughout our school.

At St. Joseph School, we will focus on creating a positive, safe, and nurturing community. We have consistent, school-wide expectations for all our students. With Building Crusaders for Christ (BCC), it is our goal to celebrate students making great choices through words of encouragement and praise, but to also have a consistent plan to support students who need help meeting the school-wide expectations. See our school website (resources) for more information on BCC.

School-Wide BCC Code

- St. Joseph Catholic School has implemented this system of teaching all students school-wide procedures and recognizing them with incentives.
- BCC is a broad range of systemic and individualized strategies for achieving important social and learning outcomes while preventing problem behaviors with all students.

- Students who behave appropriately and abide by the school rules will receive CRUSADER CASH, which can be used to “purchase” rewards and privileges. Pre-K through 2nd grade will cash in for bi-weekly incentives within their classrooms. 3rd – 8th grade will cash in at the “Cash-in Counter” located in the gym. Students in grades 3rd – 8th may also choose to spend their cash to participate in quarterly “BCC Fun Day” activities.
- Students will be introduced to *School-Wide Expectations* at the beginning of the school year and will be reminded of the *Crusader Pledge* each day during morning announcements.

• BEHAVIOR CONSEQUENCES

A notification will be emailed via RenWeb when daily disturbances interrupt classroom learning.

Pre-K – 2nd Grades

In the event a student in these grades is unable to adapt to the classroom environment and repeatedly disturbs others in an unacceptable fashion, the classroom teacher will meet with the parents/guardians to address the difficulty.

In cases where a remedy for the behavior is not found, administration will assist with creating a plan. If the behavior does not improve, the parent will be asked to find a more appropriate educational setting for the student.

3rd – 8th Grades

A major/minor referral system of discipline is also used for all students. This system serves as a reinforcement and reminder of classroom rules and procedures and conveys the expectation that Christian behavior and academic performance is a top priority.

6th – 8th Grade Procedures & Consequences:

1st RenWeb Behavior Notification..... 1 point deducted from conduct

2nd RenWeb Behavior Notification..... 1 point deducted from conduct

3rd RenWeb Behavior Notification..... 1 point deducted from conduct

***When the 3rd behavior notification is earned, a Minor Referral is issued, 5 points are deducted from the student's conduct grade for the quarter, and the student receives 3 days of recess detention. – These minor referrals will be issued by the homeroom teacher.

***Three Minor Referrals result in a Major Referral - 8 points lost in addition to the points lost for each Minor Referral

-A Minor Referral may be given for a one-time incident - 5 points lost and 3 days of recess detention.

-A Major Referral may be given for a one-time incident - 8 points lost and additional consequences determined by administration.

Example- 3 RenWeb Behavior Notifications (3pts) = 1st minor referral (5 pts)

One-Time Behavior Incident = 2nd minor referral (5 pts)

Total Points Lost - 13 pts – Conduct Grade for the nine weeks = B

Recess Detention

6th – 8th grade students who must serve recess detention will meet the detention teacher in the designated classroom. Students will then pick up their lunch if needed and immediately report back to the detention room. They will remain in the detention room throughout lunch and recess.

Referrals

A disciplinary referral form (major or minor) is given to the student at or near the occurrence of specified infractions, as well as an email notification to parents via RenWeb. Student and teacher sign the form. The student is responsible for taking the referral home to be signed by a parent/guardian and returned the next school day. **Students will serve an additional day of detention for each day the signed referral is not returned.**

Three minor referrals in the same quarter result in a major referral.

A major referral results in an automatic consequence determined by administration.

• BULLYING

To reflect Gospel values and to ensure a positive and safe learning climate, St. Joseph Catholic School does not permit harassment, hazing, or bullying of any kind. All school community members are to treat everyone with dignity and respect. In that spirit, these acts of harassment,

Hazing is a form of harassment that involves intentional, knowing, or reckless acts that induce pain, embarrassment, humiliation, deprivation of rights, physical pain, or mental discomfort. It is directed against a student for the purposes of being initiated into, affiliated with, holding office in, or maintaining membership in any organization, club, athletic team, or other group. Culpability includes hazing practices mandated or voluntarily entered into by any party.

Bullying behavior is the **repeated** harassment and targeting of another person or group of persons with the intent to cause emotional, physical, or psychological harm.

Consequences

The administration of St. Joseph Catholic School will not tolerate bullying of any kind. Detentions, suspension, or expulsion will result, depending upon the age of the students involved and the severity of the offense.

- **PRIVATE DOMAINS**

There is no private domain at St. Joseph Catholic School. In order to safeguard the moral and physical welfare of all students, all spaces and property are subject to inspection. This includes for example: students' desks, purses, book bags, cell phones, computers, etc.

Any materials obtained from these inspections may be confiscated for use as evidence in all disciplinary procedures. Anything brought onto the campus may be subject to search.

- **ON/OFF SCHOOL CAMPUS BEHAVIOR**

St. Joseph Catholic School students represent the school at all times. They are expected to maintain a high level of conduct both on and off campus. Students who engage in unacceptable behavior whether it be **on or off** campus, will be subject to the school discipline code. Such behavior is not limited to school functions. The administration has the final decision on these matters.

- **VIOLATIONS OF LAWS**

In the case where a law is violated, especially in the matter of possession, use, or sale of controlled substances, the carrying of firearms or any other deadly weapon onto the school grounds, the police and juvenile authorities will be called.

Students who engage in these particular activities will be expelled.

It is against the law for **anyone** to carry a firearm onto school property. School property is defined as school campus, or within a thousand feet of school campus, or on a school bus.

Parent Best Practices for Internet Safety at Home

- **Keep computers in a central place.**
 - This will make it easier for you to monitor and keep an eye on your child's activities.
 - You can clearly monitor their internet activity.
- **Know when your children go online.**
 - Establish specific times when access to Internet is permitted and keep that schedule.
 - Limit the length of access time. This will encourage your child to go directly to the information required, rather than aimlessly surfing the Internet.
 - Talk about what kinds of sites that they like to visit and establish what is and isn't appropriate for your family.
 - You can also check where your kids have been by looking at the history in the browser menu.
- **Teach Internet Safety.**
 - It's impossible to monitor your child's online activity all the time.
 - As they get older, they need to know how to use the Internet safely and responsibly.

- Teach children **not to communicate** or share any personal information with strangers on the Internet.
- **Use Privacy Settings and Sharing Controls.**
