CATHOLIC SINGLES ALLIANCE

The purpose of our *NEW* ministry is to build and socialize a network of Catholic single adults as an active community, both socially and prayerfully, within the St. Joseph Parish Family to perform charitable works and to add value to the parish community.

Three Age Groups: Faith (30-49); Hope (50-65); Charity (66 and over)
Group Focus Points: Social, Spiritual, and Charitable Works

Who May Join?

Catholic adults (male and female) aged 30 and over who are: never married; without a partner; separated (legally documented); divorced; annulled; or widowed. RCIA candidates and Catholics registered and verified from other nearby parishes may also join.

Is CSA a typical single's dating group?

No. CSA's primary purpose is not singles' dating. Catholic Singles is a growing population of experienced and talented adults, which is a valuable resource the Catholic Church desperately needs. CSA's intention is to initiate social, spiritual, and charitable group projects in, and possibly outside, our parish community based on the Beatitudes. This will offer singles a comfortable venue to fully engage in friendship and stewardship. Many singles have flexible schedules and may provide availability at times when others cannot. We see this as a win-win.

Will Childcare be provided?

Childcare is not immediately available, because CSA is still in formation. We would like to make it available for meetings and events. It will be publicized if and when it is available in the future.

Will Dues be required?

At the present time, there is no plan to collect dues. However, group activities will require you to pay for any fees associated with your attendance at social outings.
